Stellar VBar

The Stellar Vbar is a high-performance LED lightbar with a V-shaped design for 360° illumination. Impactful for high-visibility areas like road intersections. Engineered in India, IP65 certified with SAE standards for impact and vibration.

Key Features

- High-power, attention-grabbing LED illumination
- Thermal control
- No moving parts – ensuring longer lifespan and reduced maintenance
- Impactful flash pattern for enhanced visibility
- Die-cast aluminum base for superior durability
- Unique V-shaped light bar
- UV-resistant dome – prevents discoloration and degradation over time
- IP65 – protected against dust and water ingress
- Built to withstand extreme weather cycles
- SAE certified (impact and vibration)

Colours

Specification

- Reverse Polarity Protection
- Dimensions:
  900 mm (L) x 190 mm (H) x 570 mm (W)
  36 in (L) x 23 in (H) x 7.6 in (W)
- Voltage Range: 10 – 30 VDC

Vehicle Applications

- Fire-fighting / Rescue vehicles
- Waste Management vehicles
- Riot Control vehicles
- Police vehicles
- Ambulance vehicles
- Industrial and Material handling vehicles
- Airport refuelers / Vehicles
